Squaw Creek Lake Re-opens

It has come to my attention that Squaw Creek Lake at the Comanche Peak Power Plant has re-opened as of June this year. I know little details but understand that information can be obtained at:

<http://www.luminant.com>

It looks like the new hut you're in is a welcome addition to the club. I see numerous benefits as a member including news, sign in sheets and lost and found. Thanks to the guys in charge for this welcome addition.

Range Construction

Keep in mind the current improvements will necessitate range closure from time to time. There is no way for this editor, management or directors to know when certain sections of the range will be closed during our growing pains. Kindly keep this in mind and thanks for your patience.

Service Rifle Match News

The next match starts one hour earlier; registration at 8 AM and first shooters will start at 9 AM because this is the "Hot Dog Burn" match. We will be cooking hot dogs after the match, so plan on bringing the wife and kids.

July 2010 Service Rifle Match

by **hatuk** » Wed Jun 30, 2010 1:20 pm

Saturday, July 24, 2010: starting at 9 AM, registration starting at 8 AM – The Rattle Battle three position match, ten shots each rapid fire (90 seconds), prone 250 yards, kneeling or sitting 200 yards and 150 yards offhand all fired on the "C" Range, B27E target. Open to Division I and II rifles. Awards for 1st, 2nd, and 3rd place in each division. **NOTE THE TIME CHANGE FOR THIS MATCH!**

Side Match: "The Deer Hunter" five shots in two minutes on a deer target at 250 yards. \$2 to shoot, winner gets a trophy. Any rifle, any sight, any rest all shot from a "Deer Stand."

After the matches are completed we are having a "Hotdog Burn," hotdogs and all the fixings for lunch, burned the way you like them, yes right there at the club. Lots of fun for everyone, bring the kids and the little lady.
